3. ŠKOLA RACIONALNE I SIGURNE
FARMAKOTERAPIJE
S MEĐUNARODNIM SUDJELOVANJEM

3rd SCHOOL OF RATIONAL AND SAFE
PHARMACOTHERAPY
WITH INTERNATIONAL PARTICIPATION

Poštovane kolegice, poštovani kolege, dragi prijatelji,

osobita nam je čast zaželjeti Vam dobrodošlicu na "3. Školu racionalne i sigurne farmakoterapije s međunarodnim sudjelovanjem" u Vodicama od 20. do 22. veljače 2026. godine u organizaciji Hrvatske ljekarničke komore (HLJK).

Kongres ima za cilj promoviranje racionalne i sigurne farmakoterapije, te poboljšanja kvalitete zdravstvene skrbi optimizacijom suradnje između liječnika i farmaceuta u primarnoj i specijalističkoj zdravstvenoj zaštiti, u javnom i privatnom zdravstvenom sektoru.

Kongres je usmjeren prema specijalistima i specijalizantima raznih grana interne medicine, farmakologije, kliničke farmacije, liječnicima opće prakse, farmaceutima u bolničkim i javnim ljekarnama i studentima završnih godina medicine i farmacije.

TEMATSKA PODRUČJA:

- Nove spoznaje u upalnim bolestima crijeva
- Farmakoterapija hematoloških bolesti
- Nove spoznaje u liječenju solidnih tumora
- Enteralna prehrana
- Praćenje ishoda liječenja u javnim ljekarnama
- Sigurna primjena lijekova i farmakovigilancija

Veselim se vašem sudjelovanju i zajedničkom doprinosu uspjehu kongresa.

S poštovanjem,
Organizatori

ZATVARANJE KONGRESA

Završna riječ

Dear Esteemed Colleagues and Friends,

It is our distinct honor and pleasure to welcome you to the "3rd School of Rational and Safe Pharmacotherapy with International Participation" in Vodice from February 20 to February 22, 2026. This event is organized by the Croatian Chamber of Pharmacists (CCP).

The Congress's goal is to promote rational and safe pharmacotherapy and improve the quality of medical care by optimizing the collaboration between physicians and pharmacists.

The Congress is aimed towards specialists and students specializing in various branches of internal medicine, pharmacology, clinical pharmacology, primary doctors, and pharmacists in both hospital and public pharmacies.

The Topics Covered:

- New Insights in Inflammatory Bowel Disease
- Pharmacotherapy of Hematological Disease
- New Insights in the Treatment of Solid Tumors
- Enteral Nutrition
- Monitoring of Treatment Outcomes in Community Pharmacies
- Safe Use of Medicines and Pharmacovigilance

We look forward to your participation and our common contribution to the success of the Congress.

Respectfully,
The Organizers
